What is the next step for the Lesbian & Gay Community since the Anti-Gay Marriage Amendment? Come Share your Views and Meet our Special Guests Senators Kathleen Vinehout and Tim Carpenter

Kathleen & Tim would like to hear your ideas and support our community.

We are looking for ways to fairly include Lesbian and Gay community members in the benefits currently enjoyed by the heterosexual members of our state. Kathleen & Tim would like to get to know you, listen to your ideas and share ways to advocate for us in Madison.

**Whatever your concern from Ag and Education to the Environment, Health Care or Universities –
We can discuss it all in an informal open house setting.**

We urge you to become involved and voice your opinion!
